Sandra Woodall,
EC LEARN

Swoodall@eclearn.org

Workshop Overview

- ❖ Table Introductions
- ❖ Survey Data Review
- ❖ Liberating Structures Activity
- ❖ Group Report Out

Table Introductions

Introduce yourself to your table partners

Name, Organization &

One Barrier You Would Like to Address

Survey Review

Liberating Structures Activity

15% Solutions

Consider a barrier that you are able to influence.

This activity will help you consider solutions to move the needle by 15%.

You will brainstorm individually and then be paired with a peer to receive consultation.

Group Report Out

Name one solution that you will back for implementation.

Name the barrier and the approach you will take.

Thank you
