Annual Price of Child Care

The price of child care remains too high for many families.

In Arizona the average price of child care is:

\$8,840 per year

For an infant in family child care

\$7,800 per year

For a toddler in family child care

\$14,040 per year

For an infant in center-based child care

\$12,662 per year

For a toddler in center-based child care

Affordability of Child Care for Families

In all states, the price of child care in most settings, for most age groups, remains higher than what is considered affordable.

In Arizona:

- The median income for a married couple is \$100,027, which means center-based child care for an infant would use 14% of family income.
- The median income for a single parent family is \$34,991, which means center-based child care for an infant would use 40% of family income.

Child Care vs. Household Expenses

When compared to other household expenses, child care often has the highest price.
