

Child Care Affordability in Washington

Annual Price of Child Care

The price of child care remains too high for many families.

In Washington the average price of child care is:

\$12,672 per year

For an infant in family child care

\$11,880 per year

For a toddler in family child care

\$16,380 per year

For an infant in center-based child care

\$14,040 per year

For a toddler in center-based child care

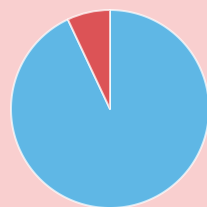

Affordability of Child Care for Families

In all states, the price of child care in most settings, for most age groups, remains higher than what is considered affordable.

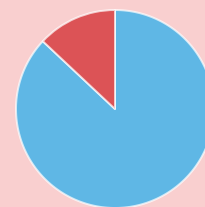

In Washington:

- The median income for a married couple is **\$121,986**, which means center-based child care for an infant would use **13%** of family income.
- The median income for a single parent family is **\$37,280**, which means center-based child care for an infant would use **44%** of family income.
