

Annual Price of Child Care

The price of child care remains too high for many families.

In Minnesota the average price of child care is:

\$9,765 per year

For an infant in family child care

\$9,403 per year

For a toddler in family child care

\$20,129 per year

For an infant in center-based child care

\$17,784 per year

For a toddler in center-based child care

Affordability of Child Care for Families

In all states, the price of child care in most settings, for most age groups, remains higher than what is considered affordable.

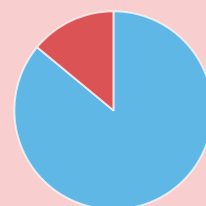

In Minnesota:

- The median income for a married couple is **\$138,780**, which means center-based child care for an infant would use **14.5%** of family income.
- The median income for a single parent family is **\$41,867**, which means center-based child care for an infant would use **48.1%** of family income.
