

## Annual Price of Child Care

The price of child care remains too high for many families.

In Ohio the average price of child care is:

**\$9,278 per year**

For an infant in family child care

**\$8,862 per year**

For a toddler in family child care

**\$12,351 per year**

For an infant in center-based child care

**\$11,125 per year**

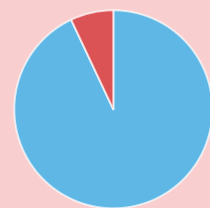

For a toddler in center-based child care

## Affordability of Child Care for Families

In all states, the price of child care in most settings, for most age groups, remains higher than what is considered affordable.

In Ohio:

- The median income for a married couple is **\$117,901**, which means center-based child care for an infant would use **10.5%** of family income.
- The median income for a single parent family is **\$31,271**, which means center-based child care for an infant would use **39.5%** of family income.
