### FAQ:

#### What is Air Force Home Community Care?

The Air Force HCC program provides childcare for U.S Air Force Reserve/ Guard members during drill weekends. Care is provided in quality family child care homes throughout the United States.

#### Do I provide snacks and meals?

Yes, it is expected that snacks and meals are provided by the Provider.

#### Will I receive notice before my weekend?

Yes, upon approval you will be provided with a schedule for the unit you are serving.

#### What is Child Care Liability Insurance?

This type of insurance specifically covers accidents and injuries that occur in your daycare home. It is separate from your homeowner's insurance and car insurance, but it can be purchased from your usual insurance agent.

#### How will I be reimbursed?

Licensed providers receive \$10 per hour, per child and NAFCC Accredited and Licensed providers receive \$12 per hour, per child. Payments are made directly to the provider from the Air Force for actual time in care.
