

# Complete Your Meeting Recap Form

Now that you have completed your meetings, let the CCAoA team know how they went. Use the QR code or short link below to access the Meeting Recap Form.

Tell us about:

- what you discussed
- what questions your lawmaker and their staff had for you
- if there are any follow-up resources you plan to send or that you would like CCAoA to send

Please submit a separate form for every office you met with, and please only submit one form per group.
