

# Child Care Prepare: Responding to an Emergency with Infants and Toddlers

Findings from Child Care Aware® of America's Infant Toddler Evacuation Survey

## Most common emergencies

Fire

Gas Leak

Severe Weather

## Most helpful emergency supplies

- Emergency contact information
- Health information
- Children's photos
- First aid kit
- Quiet activities to keep children occupied
- Diapers and wipes
- Bottles and cups
- Food
- Cell phone
- Water
- Walking rope

## Tips for how to make a practice drill run smoothly

- Practice often
- Make sure staff stay calm and patient
- Give children simple instructions and talk about what is happening
