PROVIDER APPRECIATION DAY® SPONSORSHIP

Provider Appreciation Day is the premier event celebrating our nation’s child care providers. Just as we thank and appreciate first responders and health professionals, showing gratitude for child care providers acknowledges the hard work and dedication of this workforce to caring for young children.

Provider Appreciation Day, while celebrated the Friday before Mother’s Day, isn’t just a single day – it’s a movement. Every year, Child Care Aware of America leads this celebration over a 6-month period, engaging with families and community leaders to take the opportunity to say thank for to this often underappreciated workforce.

As a sponsor, you will have access to a highly targeted segment of the population, including families who rely on child care, community leaders, and advocates. This highly-engaged group cuts across all 50 states, and has a deep investment in their local community.
