

Dear Military/Department of Defense Family,

This letter is to inform you about the School Year 2024-2025 fee policy for children enrolled in the Department of the Air Force/Space Force, Marine Corps, and NGA Military Child Care in Your Neighborhood (MCCYN) fee assistance programs. There are no changes to the School Year 2024-2025 child care fees. The total family income categories remain at 11 categories. If you would like to review the SY 2024-2025 Department of Defense child care fees, total family income categories, and provider rate caps to be used for the MCCYN child care fee assistance program, please visit <https://www.childcareaware.org/fee-assistancerespite/>, select the applicable Military or DoD family link, and then navigate to the “How Is Fee Assistance Calculated” section on your branch of service/agency’s fee assistance page.

Thank you for your understanding and your service to our country.

Sincerely, Child Care Aware® of America

Installation Commanders may request, through their Service headquarters, to charge weekly fees using the low- or high-market adjustment rate. The Military Services and Defense Logistics Agency must carefully examine and consider the impacts of approving requests for market adjustment rates.
