Annual Price of Child Care

The price of child care remains too high for many families.

In Ohio the average price of child care is:

\$10,556 per year

For an infant in family child care

\$10,192 per year

For a toddler in family child care

\$13,780 per year

For an infant in center-based child care

\$12,376 per year

Affordability of Child Care for Families

In all states, the price of child care in most settings, for most age groups, remains higher than what is considered affordable.

In Ohio:

- The median income for a married couple is **\$124,688**, which means center-based child care for an infant would use **11%** of family income.
- The median income for a single parent family is **\$34,414**, which means center-based child care for an infant would use **40%** of family income.

Child Care vs. Household Expenses

When compared to other household expenses, child care often has the highest price.
